IMPORTANT INFORMATION

- Specifications, information and products featured in this catalogue are subject to change.
- Products displayed are not actual size and the logos used are for reference only to illustrate branding options. They are the property of their owners and represent no endorsement of this brochure or its content.
- Product colours illustrated are matched as closely as the print process will allow and should be considered to be approximate.
- Actual product colours can also vary from shipment to shipment and this is beyond our control. Always ask to see a sample to ensure the product colour and the product itself are suitable for the intended purpose as we do not accept returns due to minor colour variations or the product being deemed unsuitable once it is delivered.

WOOD

Wood is a natural and renewable resource which provides a unique surface for branding. Wood can produce variances in the grain pattern, colour, and branding of promotional products which highlights its natural look.

Heritage Rimu Wood Pen

107031

Twist action ball pen which is manufactured from genuine New Zealand rimu wood with shiny chrome accents. It has a black Cross style refill with 800 metres of writing ink and it can be presented in an optional black velvet sleeve or a gift box. Wood is a natural material which produces unavoidable variances in the grain pattern, colour and branding.

- Branding Options:**
- Pad Print • Laser Engraving

Supreme Wood Pen

114975

Twist action maple wood ball pen with shiny chrome accents. It has a black Cross style refill with 800 metres of writing ink and a tungsten carbide ball for improved writing quality. The upper and lower barrel laser engrave to a natural etch and it can be presented in an optional velvet sleeve or a gift box. Wood is a natural material which produces unavoidable variances in the grain pattern, colour and branding.

- Branding Options:**
- Pad Print • Laser Engraving

Albion Key Ring

112520

Rectangular metal key ring which has a shiny chrome finish and a decorative wood plate that laser engraves to a natural etch. The shiny chrome plating on the back of the key ring also engraves to a natural etch. Albion is beautifully presented in a black gift box.

Branding Options:

- Laser Engraving

Artisan Key Ring

112137 - Artisan Key Ring - Rectangle

112136 - Artisan Key Ring - Round

Natural beech wood key ring with a shiny chrome split ring which is available in rectangular or round shapes.

Branding Options:

- Pad Print

116583 - Echo Key Ring - Round

116770 - Echo Key Ring - Square

Natural beech wood key ring with decorative metal trim which is available in round, square and rectangular shapes. It laser engraves to a natural etch and is beautifully presented in a black gift box.

Branding Options:

- Pad Print • Laser Engraving

Highlighter Pencil Pack

117336

Set of four different coloured jumbo highlighter pencils in a natural kraft cardboard box. The pencils have hexagonal wooden barrels and the pack includes yellow, orange, pink and green pencils. Highlighter pencils are a long-lasting alternative to highlighter pens as they will not dry out.

Branding Options:

- Pad Print • Digital Label

Radiata Colouring Set

115886

Set of eight unpainted wood colouring pencils, a pencil sharpener and an eraser in a natural wood box. The box has a sliding lid which doubles as a ruler with metric and imperial graduations.

Branding Options:

- Pad Print

Wooden 30cm Ruler

117337

30cm ruler manufactured from beech wood. Measurements are printed with black ink in centimetres.

Branding Options:

- Screen Print • Direct Digital • Laser Engraving

Pick Up Sticks Game

117604

Classic game of pick up sticks where each player tries to pick up sticks from a pile without moving the other sticks. The sticks and the game instructions are presented in a wooden box with a sliding lid. Branding is on the lid which laser engraves to a natural etch.

Branding Options:

- Pad Print • Laser Engraving

Dominoes Game

117605

Classic game of dominoes where players take turns placing a domino on the table that matches the number of dots on the end of a previously placed domino. The dominoes and instructions are presented in a wooden box with a sliding lid. Branding is on the lid which laser engraves to a natural etch.

Branding Options:

- Pad Print • Laser Engraving

Tumbling Tower

113085

Tumbling Tower is a game of physical skill where a tower of 48 wooden blocks is constructed and players take turns removing one block at a time without causing the tower to fall. The game is beautifully presented in a wooden box with a tower stacker and instructions.

Branding Options:

- Laser Engraving

Rally Skipping Rope

112974

Robust skipping rope with comfortable wooden handles and a strong braided rope.

Branding Options:

- Pad Print • Laser Engraving

Wood Yoyo

113591

Yoyo that is manufactured from wood and cotton string.

Branding Options:

- Pad Print • Laser Engraving

Outdoor Wine Table

115961

Unique two person wine table which is manufactured from acacia wood. It has a tough wooden spike which screws into the table top and pushes into the ground making it ideal for use in most outdoor situations including the beach. Both wine glasses are held securely by sliding the stems into the table and this leaves room for some snacks. It laser engraves to a natural etch and is presented flat packed in a matt black gift box.

Branding Options:

- Laser Engraving

Marlborough Wine Glass Holder

116731

Elegant wine glass holder which is manufactured from acacia wood. It sits neatly on the neck of a wine bottle and holds two wine glasses. Marlborough is presented in a black gift box.

Branding Options:

- Pad Print • Laser Engraving

Montgomery Cheese Board

115957

Elegant cheese board which is manufactured from acacia wood. It has four soft non-marking pads on the base and a compact drawer which opens to reveal a set of three cheese knives and a cheese fork. Montgomery laser engraves to a natural etch and is beautifully presented in a matt black gift box.

Branding Options:

- Laser Engraving

Boutique Bottle Opener

116120

Smart metal bottle opener with a wood handle which laser engraves to a natural etch.

Branding Options:

- Laser Engraving

Coventry Cheese Board

115955

Large rustic cheese board with natural rope handles which is manufactured from acacia wood. It has a cheese knife with its own compartment so it is always ready for use. The cheese board laser engraves to a natural etch and is beautifully presented in a matt black gift box.

Branding Options:

- Laser Engraving

Homestead Serving Board

115953

Smart serving board which is manufactured from acacia wood. It has a leather strap which can be used for hanging the board up when not in use. The serving board laser engraves to a natural etch and is beautifully presented in a matt black gift box.

Branding Options:

- Laser Engraving

Estate Serving Board

115949

Large round serving board which is manufactured from acacia wood. The handle has a stainless steel rivet with a leather strap which can be used for hanging the board up when not in use. The serving board laser engraves to a natural etch and is beautifully presented in a matt black gift box.

Branding Options:

- Laser Engraving

BAMBOO

Bamboo is the fastest growing plant on our planet and grows up to 10cm a day which makes it one of the world's most renewable resources. It requires very little water to grow and can be re-harvested many times without harmful effects on the plant or the environment. Bamboo can produce variances in the grain pattern, colour, and branding of promotional products which highlights its natural look.

Bamboo Coasters

112030

Set of four natural bamboo coasters.

Branding Options:

- Pad Print • Screen Print • Direct Digital

Bamboo Cutlery Set

117633

Environmentally-friendly bamboo cutlery set which is presented in a cotton drawstring bag. The set includes a knife, fork, spoon, straw and a cleaning brush. This cutlery set is an environmentally-conscious alternative to single-use plastic cutlery and is a great way to send a positive message. Branding is on the cotton drawstring bag.

Branding Options:

- Screen Print • Digital Transfer

It is BPA-free and is presented in a black gift box. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

- Pad Print • Screen Print

The background of the entire image is a collage of cork-related textures. It includes close-up views of the rough, greyish-brown bark of a cork oak tree, as well as cross-sections of cork showing its characteristic honeycomb cellular structure in warm, reddish-brown tones. These elements are arranged in a geometric, overlapping pattern separated by white diagonal lines.

CORK

Cork is considered an eco-friendly material as the process of harvesting the material doesn't harm the tree, making it a completely renewable and sustainable resource.

Inca Notebook with Pen

- 116301 - Inca Pen
- 116302 - Inca Notebook
- 116303 - Inca Notebook with Pen

Medium-size notebook with a hard cover which is finished with a stylish combination of natural cork and smooth PU. JUTE

Jute is a plant fibre that is spun into coarse thread and woven to make a robust, heavy-duty fabric. It is commonly used for bags to store grain but has more recently become an affordable fabric for shopping bags due to its strength, sustainability, and stunning natural look. It can also be blended with cotton to produce juco, another popular material due to its strength and smoother branding surface.

Thera Jute Tote Bag

108034

Large jute tote bag with strong cotton webbing handles. It has a gusset in the base for increased carrying capacity.

Branding Options:

Up to five different colour combinations are included in the price and more are available for an additional charge. Borosilicate is a lightweight glass which is exceptionally strong and shatter-resistant. It is a natural BPA-free choice for a clean, pure taste and it offers a safe and eco-friendly alternative. Divino is presented in a white box. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Debossed • Silicone Digital Print

Venus Glass Bottle

111271

Deluxe 600ml borosilicate glass drink bottle which features a secure screw on stainless steel lid that can be laser engraved with a logo. Borosilicate is a lightweight glass that is exceptionally strong and shatter-resistant. Glass is a natural choice for a clean, pure taste and it offers a safe and eco-friendly alternative. This product is not intended to be used with carbonated or hot liquids. It can be presented in an optional gift tube. The bottle is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Imitation Etch • Laser Engraving

Eden Glass Bottle

113025

Sophisticated 600ml borosilicate glass drink bottle which has a trendy screw on bamboo lid with a matching braided carry handle. Borosilicate is a lightweight glass that is exceptionally strong and shatter-resistant. Glass is a natural choice for a clean, pure taste and it offers a safe and eco-friendly alternative. Eden is not intended to be used with carbonated or hot liquids and is presented in a gift box or optional gift tube. Bamboo is a natural material which produces unavoidable variances in the grain pattern, colour and branding. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Imitation Etch • Laser Engraving

STAINLESS STEEL

Drinkware manufactured from stainless steel has an extremely long lifespan, keeping your brand in the public arena for longer. It can be recycled multiple times and is a great replacement for single-use drinkware. Stainless steel does not require a plastic lining, ensuring a chemical and odour-free beverage

Cordia Cup

116057

Smart 350ml BPA-free double wall coffee cup with a timeless curved design and a secure push on lid. It has a stainless steel outer wall and a polypropylene inner wall which keeps drinks hot for longer. Cordia has a soft non-marking base and laser engraves to a shiny steel finish except for the stainless steel cup, which engraves to a natural etch. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

- Pad Print • Laser Engraving

Cordia Vacuum Cup - Powder Coated

117418

Smart 300ml double wall, vacuum insulated stainless steel coffee cup with a timeless curved design and a stunning powder coated finish. It will keep drinks hot or cold for hours and has a transparent push on lid with a sliding closure. Cordia laser engraves to a shiny steel finish. The silver cup does not have a powder coating and laser engraves to a natural etch. The cup is BPA-free and is presented in a black gift box. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

- Pad Print • Laser Engraving

Mirage Steel Bottle

110754

Trendy 700ml stainless steel drink bottle with a timeless design and a secure screw on lid. The Mirage bottle laser engraves to a shiny steel finish, except for the silver bottle which engraves to a natural etch. Mirage is BPA free and can be presented in an optional black gift box or gift tube. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Laser Engraving • Rotary Digital Print

Mirage Powder Coated Vacuum Bottle

116329

Trendy 500ml double wall, vacuum insulated stainless steel drink bottle with a stunning powder coated finish. It will keep drinks cold for 24 hours or hot for up to 12 hours. Mirage has a powder coated screw on lid as well as a classic stainless steel option. The bottle and lid can be mixed and matched in any colour combination from the standard colours. Up to five different colour combinations are included in the price and more are available for an additional charge. Mirage is BPA-free and laser engraves to a shiny steel finish. It is presented in a black gift box and an optional gift tube is available on request. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Laser Engraving • Rotary Digital Print

Nomad Bottle

105286

Classic BPA-free 750ml stainless steel drink bottle with the choice of three secure screw on lid styles. An optional carabiner is available for the flip valve lid and the sipper lid for an additional charge. The Nomad bottle laser engraves to a shiny steel finish, except for the stainless steel bottle which engraves to a natural etch. An optional gift box or gift tube is available. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Laser Engraving • Rotary Digital Print

Nomad Deco Vacuum Bottle - Powder Coated

115848

Impressive 650ml BPA-free, double wall, vacuum insulated stainless steel drink bottle which has an extremely durable powder coated matt finish. It will keep drinks cold for 24 hours or hot for up to 12 hours. It has a trendy screw on lid with a stainless steel carry handle that offers a prominent branding opportunity and is available in full stainless steel or with a bamboo veneer. Bamboo is a natural material which produces unavoidable variances in the grain pattern, colour and branding. The lid laser engraves to a natural etch and the bottle laser engraves to a shiny steel finish. It is nicely presented in a black gift box or an optional gift tube. This product is not dishwasher safe and handwashing is recommended.

Branding Options:

• Pad Print • Screen Print • Laser Engraving • Rotary Digital Print

REUSE and REDUCE

Being environmentally aware doesn't mean only choosing products that are manufactured from sustainable materials. Reusable promotional products replace the need for single-use plastic items and send a positive message that aligns with your brand.

Paper Drinking Straws

116798

Set of 10 striped paper drinking straws which are presented in an unbleached cardboard box. Paper straws are an environmentally-friendly alternative to plastic straws and are a great way to send a positive message. Branding is on the box.

Branding Options:

- Pad Print • Digital Label

Silicone Straw

115163

Reusable, food grade silicone drinking straws are a safe alternative to single-use plastic straws and are a hot new product for promotions that send a positive message. They can easily be cut to size with scissors to suit most tumblers and washing instructions are included in each box.

Branding Options:

- Screen Print • Debossed

Stainless Steel Straw Set

116751

Set of three reusable stainless steel straws in a cotton drawstring bag. The set includes a smoothie straw, an angled straw, a straight straw and a cleaning brush. Reusable straws are an environmentally-friendly alternative to single-use plastic straws and are a great way to send a positive message. Branding is on the cotton drawstring bag.

Branding Options:

- Screen Print • Digital Transfer
